

AMES CAMO GmbH is an international company specialising in Airworthiness and CAMO services. Amongst our customers, we count the world's leading leasing companies.

To complement our team, we are looking for a young and dynamic person to join our team in 7100 Neusiedl /See. This advertisement is directed at a person, who has already had a few years at an airline, but would like a more challenging position.

CAMO Engineer (f/m)

We require:

- HTL Flugtechnik or equivalent
- Flexibility, enthusiasm and the ability to see how everything fits together
- Competence in English – written and oral
- The ability to work to a deadline and under pressure
- A passion for aircraft
- Willingness to travel
- Driver's licence
- Completed military service or equivalent

Initial Duties:

- Planning and co-ordination of scheduled / unscheduled maintenance including work packages
- Creation and control of aircraft status reports
- Checking for applicability of ADs and SBs
- Writing of Aircraft Maintenance Programmes
- Tracking of maintenance records

We offer:

- On-job training
- External training courses
- A pleasant and friendly working environment

A motivated person may expect to reach the level of an airworthiness inspector in 5-6 years.

Initial pay is €2500. — 40hours/week (Kollektivvertrag für Angestellte im Handwerk und Gewerbe in der Dienstleistung in Information und Consulting, Verw. Gr. III) and will increase according to application and achievements.

If you think you have what it takes to join us, please send us your cv, photo and accompanying letter to christine.mcdonnell@ames.co.at.
