

Welcome to the 41st edition of 'AMES High', which aims to keep you, our customers and suppliers informed about major changes and developments at AMES in the Design, Production and CAMO fields.

New Customer Support and Sales Team

Walter Starzacher, AMES Group President is presenting our new customer support and sales team.

"I am very proud to have such an experienced team taking care of our customers worldwide and with a great understanding of our business."

Led by Daniel Maier our Managing Director, Customer Support Director Michael Ziegerhofer with over 10 years AMES experience and a Certification Verification Engineer is coordinating all our Sales and Customer activities.

David Tierney, COO AMES Ireland focusing on Irish and UK customers, a trained Airworthiness Review Staff and Jonathan Turner focusing on key customers worldwide, an experienced CVE as well as a structure/ stress specialist.

"Our customers will benefit from the high level of expertise and service in our unique One Stop Shop."

Ames Ireland is growing

Niall Hollywood joined our DOA Team in January 2020 and we have now a total three designated Design Engineers and two CAMO Engineers in our Airport Office in Dublin available for customer projects.

AMES Customer Support Office in Dublin

FATA validation for EASA Minor Changes and STCs

AMES DOA through a long experience in the Russian Aviation Market, was able to establish a fast and streamlined procedure with the Russian Federal Air Transport Agency (Rosaviatsia) responsible for aircraft certification, to validate EASA Minor Changes as well as Supplemental Type Certificates.
