

Newsletter No 4, March 2011

Welcome,

to the fourth edition of 'AMES high', which aims to keep customers, suppliers and employees informed about major changes and developments at AMES in the Design, Production and CAMO fields.

Invitation

Aircraft Interiors Expo Hamburg, 5 – 7 April 2011

It is essential to be part of an outstanding industry forum like the Interiors Expo and at AMES we are very proud to be exhibitor on this years Aircraft Interiors Expo in Hamburg for the very first time.

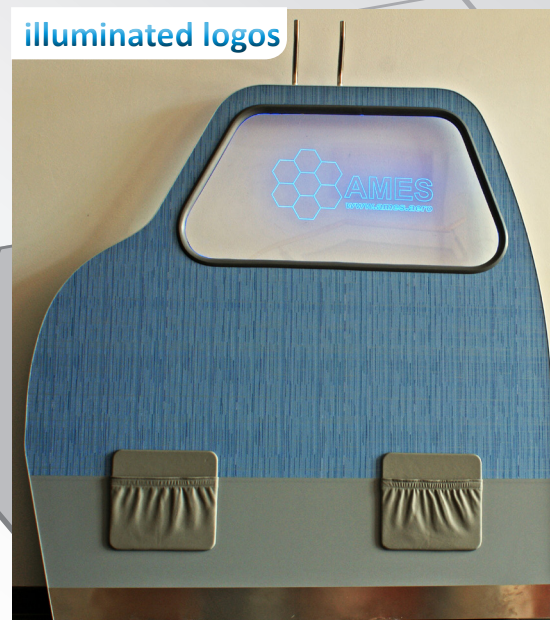

For this reason we would be very honoured to welcome you on our Stand in Hall 6B80. We will display our newest products and would be very happy to discuss any of your future requirements.

New Products:

In addition to the unique design of AMES partitions and windbreakers and the shortest lead time for new products in the industry, we can now offer laser engravings and illuminated logos for observer windows in our partitions and windbreakers.

Please see us on the Interiors Expo in Hamburg Stand 6B80 or contact us via e-mail on services@ames.co.at or visit our website on www.ames.aero.

illuminated logos
