

Newsletter No. 18, March 2014

Welcome,

to the 18th edition of 'AMES High', which aims to keep customers and suppliers informed about major changes and developments at AMES in the Design, Production and CAMO fields.

New Products

We are very happy to announce a series of new products which can be customized and delivered fully certified with EASA Form 1 in the shortest lead time in the industry. We have successfully finished the first fit checks for new cabin products for the Boeing Sky Interior cabin. The first cabin parts will already be delivered by the end of this month, a full range of products will be available by end of April 2014.

- Illuminated Cabin Dividers LR
- Windscreens and partitions for the Boeing Sky Interior cabin
- Stowages and doghouses for the Boeing Sky Interior cabin
- Movable Class Dividers and curtain rails for the Boeing Sky Interior cabin

AMES CAMO

AMES CAMO is pleased to announce that we have recently been awarded Permit to Fly privileges. In addition we have expanded our scope to include Embraer 170/175/190/195
