

Welcome,

to the 22nd edition of 'AMES High', which aims to keep customers and suppliers informed about major changes and developments at AMES in the Design, Production and CAMO fields.

AIX Hamburg 14 – 16th April 2015

The AMES Group will be represented at this year's Aircraft Interiors Expo in Hamburg already for the fifth time. Please visit us in Hall B6 Stand 6A70 and experience our newest products and service portfolio. On the first day of this exhibition, 14 April at around 16:00 we are happy to invite our guests to a Styrian local specialities get together.

At the AIX in Hamburg we will also introduce a new member of our AMES Group – QRrelation Engineering Team, a versatile engineering service provider for cabin reconfigurations, covering Structures, Avionics, IFE and Systems. QRrelation Engineering is situated in Hamburg with a team of experienced engineers supporting OEMs, MROs but also our AMES Design Organization. For further information please see us at the AIX or contact QRrelation Engineering Team via engineering@qrelation.com

New Cabin Products

Full height stowages and partitions for the long range fleets, crew rest facilities for A330 and B767 have been included into our portfolio, please get more information and details at the AIX in Hamburg.

AMES Ireland

To improve our service level for all our Irish customers, we have introduced AMES Ireland Ltd two years ago. Our Dublin Customer Support office continues being managed by David Tierney and supported by Mark O'Grady, Design Engineer and Ms. Fiona Callaghan, CAMO Engineer. Further office expansion is planned for the coming months and this will ensure an even stronger and more focused customer support team available to our customers in Ireland. Ames Ireland office contact: Ireland@ames.co.at

For further details please contact us via e-mail on services@ames.co.at. or see our website on www.ames.aero.
