AMES
aerospace

Welcome to the 66th edition of 'AMES High'. which aims to keep you, our costumers and suppliers informed about major changes and developments at AMES in the Design, Production and CAMO fields.

Our CAMO strengthens its market position!

AMES Ireland Ltd – our Dublin based CAMO - continues its growth trajectory by achieving another major milestone. The team is currently supporting a large-scale asset management project involving 23 Airbus A320 aircraft, covering a range of activities including airframe sales for part-out, as well as engine shop visit management and aircraft maintenance programs for onward leasing. We are grateful to have been entrusted with this complex and multifaceted assignment. It reflects the confidence our customers have placed in AMES CAMO services and the value and expertise we continue to deliver on an ongoing basis. Feel free to contact us at ireland@ames.co.at for any CAMO questions!

AMES Group increases its staff in Austria & Ireland!

In order to meet the increased demand and offer even better service to our customers in all areas of operation, AMES increases its work force across the board. Over the past months, we have been delighted to welcome both experienced industry professionals and ambitious young talents to our DOA and POA teams in Austria, as well as to our CAMO team in Ireland. Stay tuned on our information channels where we will be introducing our newest team members in the upcoming weeks!

All new A32F Moveable Class Divider (MCD) becomes our best-selling product!

We are proud to introduce the next generation of our Moveable Class Divider (MCD): the all-new AMES MCD Mark II model for the A320 family aircraft. Developed through an extensive design process and refined with valuable customer feedback, the Mark II model has already received highly positive responses from operators. Combining outstanding in-service reliability with intuitive and time-saving operation, the new design clearly distinguishes itself on the market. Available for A320 family aircraft with Classic, Enhanced and Airspace XL-Bin interiors, the AMES MCD Mark II is ready to support your operational needs. Get in touch to discover the benefits for your fleet!
