MEET US ► BOOTH 6A40

After more than two years, we are very happy to take part in this year's Aircraft Interior Expo in Hamburg again. Please visit us in Hall B6, Stand 6A40. Our Customer support team will be available for meetings at our booth and we will have some of our newest products on display. You are also welcome to enter the "AMES experience" through our interactive AMES screens explaining our true one stop shop philosophy.

Please make your meeting reservation via services@ames.co.at.

Completion of various STCs

Recently our team successfully completed several EASA STCs for Cabin Modifications on A330, A320 and B767 aircraft for major European operators. Holding an EASA Design Organisation Approval (DOA) since 2006, our vast experience from numerous cabin modifications set the baseline to finish all recent EASA STCs well in time and budget for our customers.

BCAA CAMO approval for AMES Ireland Ltd.

Dublin based AMES Ireland Ltd. recently obtained the approval certificate from the Bermuda Civil Aviation Authority (BCAA) as a Continued Airworthiness Management Organization (CAMO).

"We are delighted to expand our CAMO services to Bermudan registered aircraft in order to support leasing companies and airlines with seamlessly managed airworthiness throughout aircraft transitions", says Walter Starzacher, Founder and President of the AMES Group.

Following our EASA CAMO approval (IE.CAMO.123) the Bermudan approval (BDA/CAMO/235) further expands the services offered by the AMES Group as an independent CAMO organisation supporting the Airline and Aircraft Leasing Market.
